

The presiding District Judges in these actions have reviewed the government's notice of related cases (ECF No. 43 in case no. 3:16-cr-0013; ECF No. 35 in case no. 3:16-cr-00026) and have individually and collectively determined that these actions are related and that there is good cause to reassign them to one District Judge. Additionally, reassignment will promote judicial efficiency, avoid duplicative filings by the parties, and will not result in prejudice to the parties.
